

SALVATION

Salvation is the means by which God, through Christ, saves man from the penalty of sin and gives him eternal life. This process includes one's calling, repentance, baptism, justification, receiving of the Holy Spirit, a life of faith, and obedience, and final birth into God's Kingdom as a spirit being. Salvation is a freely given gift from God through grace, with our ultimate reward being given according to our endeavours to do His will.

Matthew 16:27; John 3:16-17; Romans 6:23; Ephesians 2:8-9; Hebrew 6:1-
