

LAW OF GOD

The law of God as revealed in the written word of the Bible alone is a good, right, and perfect system of eternal directives and principles that reflects God's character and serves as a means of expressing His love toward man. God's law teaches man how to properly worship God, how to love his fellowman, how to live life abundantly, and, at the same time, how to prepare for an eternal spiritual life in the family of God. The law of God is represented in both the Old and the New Testaments, and is expressed by both physical actions and spiritual motivations.
