

In Jesus's Name

In Jesus's name?? Did you know that the name of `Jesus`, is less than 400 years old? So, where did the name of `Jesus`, come from? The original Hebrew name of `Yeshua`, was given to Joseph by the angel of the Lord, to give to our Saviour, because the name actually means `salvation`, or `saviour`. When His Hebrew name was translated into the Greek language, it became ``Iesous` (pronounced, `yaysoos`) and continued to be written as such up until the 1611 King James Version of the bible. Come the 17th. century, the letter `J` was introduced and replaced the letter `I` as a consonant, and so eventually `Iesous` became `Jesus`. So, now that you know what our Lord's TRUE NAME is, will you still be referring to Him as `Jesus`, or His REAL GIVEN HEBREW NAME of `Yeshua`? Remember, ``the Lord is not mocked`, (fooled) but neither is He mean or petty, because millions of people will still be referring to Yeshua as `Jesus`, until the day that they die, but this will not be held against them as it was done in ignorance, and the Lord understands. It is only common courtesy and correctness to call a person by their TRUE name, for example, my name is `Paul`, but the Spanish version of that name is `Pablo`. I do not answer to the name of Pablo, and if somebody calls me that, I will correct them, but if they continually ignore my correction, then I will begin to suspect that there is another reason as to why they refuse to call me by my proper name.
