

ANGELIC REALM

God has created powerful spirit beings as His agents, and messengers. Since man's creation, these spirit beings function as ministering spirits to help mankind attain salvation. Like man, angels have free moral agency. Although created to help God, some of them - led by Satan the devil - rebelled against God's government, transforming themselves into demons. But like all that sin willfully, Satan and his demons will die and not be in the kingdom of God!
